

United States Department of Defense  
Assistant Secretary of Defense (Networks & Information Integration)  
**DoD Chief Information Officer**

**VISION:** We are about Mission Success

**MISSION:** Information is one of our Nation's Greatest sources of power. Our first and greatest goal is to bring that power to the achievement of mission success in all operations of the Department; warfighting, business, and intelligence.

**GOALS:**

- Lead the Department in achieving a persistent and dominant information advantage for ourselves and our mission partners/
- Lead the Department in changing those policies, processes, and culture necessary to provide the speed, accuracy, and agility to ensure mission success in a rapidly changing and uncertain world.
- Ensure a robust and secure information environment
- Provide modern command and control capabilities through persistent collaboration at all levels and among all mission partners.
- Acquire new information capabilities rapidly (9-12 months) and at low cost by delivering them as enterprise services.
